Wednesday 11 October, 2017

Habitat Apartments has been announced as "Spain's Leading Serviced Apartment Brand 2017".

This year's award is Habitat Apartments' fourth consecutive victory.

World Travel Awards celebrates its 24th anniversary this year and is acknowledged across the globe as the ultimate travel accolade. The World Travel Awards recognizes and awards the excellence and quality of the global tourist sector.

Founded 15 years ago, Habitat Apartments started out with only four employees, who supervised eight apartments in Spain. Over the years, the company expanded up to 25 employees and more than 500 apartments in eight different cities, Barcelona, Madrid, Amsterdam, Rome, Venice, Florence, Valencia and Marbella.

The combination of their core values - excellent customer service, focus on quality management, and professionalism - as well as a carefully selected variety of apartments, Habitat Apartments elevates itself from competitors.

For Habitat Apartments this fourth consecutive award of "Spain's Leading Serviced Apartment Brand 2017" is momentous and we want to thank all of our customers during these 15 years.

Thank you to all of you! Without you, our guests, this would never have been possible.
