Habitat Apartments for the third year in a row received the prestigious commendation for "Spain's Leading Serviced Apartment Brand 2016".

Habitat Apartments has been awarded "Spain's Leading Serviced Apartment Brand 2016" in the World Travel Awards 2016. The World Travel Awards recognizes and awards the excellence and quality of the global tourist sector. For Habitat Apartments this is the 3rd year in a row receiving this commendation.

Habitat Apartments was founded 14 years ago in 2002, and in the beginning there were only four employees taking care of eight apartments in Spain. Now in 2016 Habitat Apartments has about 25 employees and more than 500 apartments in eight different cities, Barcelona, Madrid, Amsterdam, Rome, Venice, Florence, Valencia, and Marbella.

The secret of our success is our excellent customer service and our focus on quality management and professionalism. Habitat Apartments differentiates itself from others by focusing on an easily contactable team as well as on its carefully selected apartments.

World Travel Awards was established in year 1993 to acknowledge, reward and celebrate excellence across all sectors of the tourism industry. Nowadays the award is known as the ultimate hallmark of quality. The English organization confers the prizes from a survey completed by professionals from all over the world.

For Habitat Apartments this 3rd time award "Spain's Leading Serviced Apartment Brand 2016" is momentous and we want to thank all our customers during these 14 years.

Thank you to all of you! Without you, our guests, this would never have been possible.
