

Hales Gallery At Art Cologne 2015

Monday 23 March, 2015

Art Cologne is the world's oldest art fair for modern and contemporary art of the 20th and 21st century. Today's fair annually invites approximately 200 international galleries to showcase painting, sculpture, photography, prints, multiples, installations, performance and moving image art in the city of Cologne, cultural center of the Rhineland region and beyond. The origins of today's Art Cologne go back to the year 1967, when Cologne-based gallerists Hein Stünke and Rudolf Zwirner initiated the first Kunstmarkt Köln.
