Hampshire Furniture Announces Their Intriguingly Clever New Collection of Children's Furniture from Kohla

Monday 3 March, 2014

Leading furniture suppliers Hampshire Furniture have announced this week that they have welcomed a delightful new collection by Kohla to their range, which goes beyond traditional Children's Furniture with ingenious designs. Known for sourcing outstanding and beautiful collections, this is an exciting announcement that will bring smiles to the faces of many delighted parents who adore Hampshire Furniture's current and very popular Children's Furniture Collection.

As an online retailer, Hampshire Furniture doesn't have expensive showrooms to maintain or sales staff to pay. Instead, they pass these savings on to the customer by simply offering the finest ranges they can find of fantastic quality solid wood furniture at the best possible prices. The new Kohla range will undoubtedly prove to be a very welcome addition to their current collections.

Managing Director, Louisa Bird: "We're thrilled and delighted to be stocking the new Kohla children's furniture range. We're always on the lookout for furniture that is not only of exceptional value and quality, but has thought and excellent design behind it; the Kohla ranges tick all of these boxes."

The two new Collections from Kohla include the Willow White Children's Furniture Collection and the Breeze Oak Children's Furniture Collection. Both collections include several intriguingly clever items that convert into whole new pieces of furniture as your child's needs change. From the beautiful cot that can be transformed into a junior bed and then into a full size children's single bed, to the baby changing storage unit that magically becomes a child's computer desk when the time is right, this collection encompasses every element parents are looking for. Practical storage options complete the range with furniture that will last a lifetime.

This charming range of furniture delights with its cleverly designed furniture that combines stunning looks with superlative levels of functionality. It is now available to buy on the Hampshire Furniture website.
