Hanover Merchant Capital is pleased to announce it will be attending The Water Show Africa 2017

Wednesday 5 April, 2017

28 - 29 March 2017, Sandton Convention Centre, Johannesburg, South Africa

The Water Show Africa is a unique conference and marketplace where water CEO's come to explore solutions for developing investable and sustainable world class water projects throughout the African continent. Hanover Merchant Capital will attend show to review african water boards, utilities, operators, government, major end users and investors come to meet new partners that can help them achieve their goals. We are proud to have hosted Randwater, WSUP Kenya, the Water Research Commission, Namibia Water Corporation, Taraba State Water Supply Agency of Nigeria, eThekwini Water and Sanitation Centre of Expertise, The Department of Trade and Industry, Mhlathuze Water, Umgeni Water and the District of Columbia Water and Sewer Authority, to name a few.

Reflecting the growth and development in the region for years to come, the show is the most important place to build partnerships for future success. Running alongside Power & Electricity World Africa, the show highlights the close working relationship of these two industries – as well as the business opportunity in the water energy nexus.
