Class 41

An American streaming company used Love Harlette trademark for a streaming show without permission

Harlette Beauty are in the middle of the world's first Agile Beauty Launch and have been impacted with Cyclone Alfred. Filming of products have been halted through beach closures and winds above 150km an hour.

The Red Lipstick Revolution has begun. Harlette™ are under attack, and have had to pivot a research and development project started ten years ago in the matter of weeks?

Harlette™ are under a number of attacks from all fronts, Trademarks, people impersonating the Brand, taking digital real estate in the area of Beauty, Clothing, Shoes, and Eyewear and advertising below and above the line using the Harlette™ trademark.

Harlette™ have successfully pivoted using Agile Strategy and happy to report that a entire beauty range bringing an extra £227million in research and development in 10 product lines in under 17 days.

The entire product range was completed from start to finish in 7 days with 18 hours around the clock to complete the product range. Transport of the product line took 10 days and the first look of the product was able to be viewed on day 17.

Harlette™ Beauty is valued at billion for just one product line in early stages of development. Harlette™ unique research is valued in excess of £1 trillion creating a brand new industry in this field.

A worlds first for the beauty industry to include a media strategy a brand new social media strategy on Tik Tok, X, LinkedIn and Instagram and has achieved 60000 one week organically grown from 1 to 2 views.

Harlette have been offered a luxury perfume development in France from the Harlette Beauty LinkedIn Campaign.

Harlette™ gained reviews from Hollywood producers, directors and luxury advisors from Norway and Saudi Arabia and UK. The price position is ultra high end to enter the market at £72 GBP and above Balmain in Ready to Wear at £27,000 gbp.

Harlette™ have delivered once again using the Agile Strategy that saw a bikini made in France shipped to London photo shoot in Curacao before appearing on a catwalk in just 6 days and this was 1 piece.

Harlette™ have sourced ethical vegan products with high attention to luxury packaging and achieved nothing short of a fashion miracle

Harlette™ have had to engage international governments, social media platforms, legal firms and even prestigious magazines to defend the Harlette™ trademark.

Harlette™ received various abusive letters claiming that the guilty companies felt they had a right to use it for 10 week campaign on £2000.00 pound cashmere Harlette™ sweater.

This was an very low moment for the fashion industry when our company bearing the international trademark Harlette™ have a Cashmere jumper for £7200gbp and were in the media announcing our 10 year research and development project called Harlette™ Sweat for Harlette™ Beauty.

Harlette have 6 patents ranging from diamond suspenders to spaceport & lunar telecommunications to smart connected bra technology across two countries United Kingdom and Australia.

In addition Harlette have publishing film and telecommunications products. Film projects include IT Girl Lingerie, Galvanize™, Saudi Lingerie Campaign, 39 Anna Nicole Smith biopic and Yacht Stories based on Harlette DeFalaise nano novel series of the same title all in pre production.

Harlette have trademarks in class 3 and 44 and 9, 18, 39, with Boeing business plan in place communicated with FAA usa & CAA, uk, 14, 20, 40, 41, 42, 10, all in the UK

Harlette have class 25 in Australia and United States

Harlette have class 16, 41 in Australia
