

HEALTHCARE HOLDING/WINTERBERG ACQUIRES WINTHER MEDICAL

Wednesday 15 November, 2023

Healthcare Holding Schweiz AG, a Leading Swiss Medtech Services and Distribution group, managed by Winterberg Advisory GmbH, expands Portfolio with Winther Medical Acquisition

Baar, Switzerland - October 2023

Healthcare Holding Schweiz AG has successfully acquired Winther Medical, a major addition to their Buy and Build platform in Swiss Medtech services and distribution and its first asset, Senectovia Medizinaltechnik AG.

Specialising in innovative products within the hospital, imaging and emergency services domains, Winther Medical is renowned for its sourcing of top-tier, cutting-edge products from global manufacturers. The comprehensive product range at Winther Medical is distinguished by its superior functionality, reliability, modern design and user-centric approach. Embracing collaborations with hospital staff, the company values and integrates insights from medical professionals to continuously enhance their product range and services.

"The integration of Winther Medical into our platform underscores our commitment to delivering significant synergies that will elevate service quality, broaden our product spectrum, and fortify our presence in the realm of hospital and emergency care," stated Fabian Kroeher, Executive Director of Winterberg.

"The inclusion of Winther Medical AG within the Healthcare Holding Schweiz AG portfolio is an opportunity to offer cutting-edge solutions and new, innovative products in traumatology, radiology, hospital infection prevention as well as ambulant services and mountain rescue for our customers," noted Torbjörn Winther, CEO of Winther Medical AG.

Healthcare Holding Schweiz AG's strategy aligns with their vision of becoming a leading player in the Swiss Medtech services and distribution landscape by continually advancing innovative solutions and enhancing their portfolio to better serve their customers' evolving needs.
