High 5 Casino launches MiFinity as a new payment option in LATAM

Wednesday 21 April, 2021

Dublin,21st April 2021

MiFinity, a global payments provider, today announced a new partnership with the online gaming operator High 5 Casino. Following the successful integration, the MiFinity eWallet is now available in multiple languages to consumers in LATAM as a payment method for this gaming brand .

The MiFinity eWallet is a fast, simple and secure way for customers to perform transactions with multiple local payment options in LATAM that support deposit, withdrawal and transfer functionality in different currencies.

“The MiFinity eWallet is one of the fastest growing names in the iGaming space for online payments. We are always expanding our payment options to give our players the ability to transact through multiple payment methods that are localised. Indeed, the MiFinity eWallet precisely offers that, therefore, working with them felt like a natural fit’’ said Charlie McMaw, Head of Payments, High 5 Casino.

“High 5 Casino is the latest iGaming partner on the MiFinity payment platform. This integration was a collaborative effort from both teams, and we are delighted that High 5 Casino chose MiFinity as a payment method to launch for their LATAM market. We welcome this partnership and we look forward to support them in the future,” said Michael McDevitt, Chief Product Officer, MiFinity.

About MiFinity

MiFinity, a global payments provider, offers a range of cost-effective and efficient end-to-end payment solutions. It has more than 18 years of experience in the online payments space with a growing network of global partner relationships and a best-in-class, highly secure and regulated technology platform.

MiFinity recently launched its online eWallet, which is targeted at the online gaming, travel and eCommerce sectors. It is a fast, simple, and secure way for customers to perform transactions with multiple local payment options in different currencies.

MiFinity is evolving into a true ‘omnichannel’ payment provider to the global online payment market.
