

HQ Strengthens HQ Connect Global Supplier Network with Transferz Partnership

Tuesday 3 December, 2024

Media:

HQ, the industry-leading global enterprise solution for corporate mobility, is thrilled to announce a strategic partnership with Transferz, a renowned global supplier specializing in ground transportation services.

Through this partnership, HQ clients will now have seamless access to Transferz's expansive network of over 1,500 directly sourced and vetted transfer companies across more than 150 countries from the HQ SummitGround platform. This ensures unmatched global coverage for a range of travel options, from standard to luxury, and a rapidly expanding fleet of electric vehicles.

The integration of Transferz into the HQ Connect network significantly enhances global coverage and offers users even greater flexibility when booking and managing ground travel. Transferz's dedication to safety, sustainability, and diversity aligns perfectly with HQ's mission to deliver an unparalleled transportation solution for businesses and their travelers.

Transferz's dedication to safety, sustainability, and diversity aligns perfectly with HQ's mission to deliver an unparalleled transportation solution for businesses and their travelers. As part of the HQ Connect supplier network, Transferz vehicles, and drivers are thoroughly vetted and fully insured, meeting HQ Connect's stringent safety standards. This ensures a consistently high-quality experience for every passenger, every time. This is bolstered by Transferz's 24/7 multilingual customer support and continually growing electric vehicle fleet.
