Illuminated Mirrors Provides Hollywood Mirror for Polly Marchant

Tuesday 1 October, 2019

Illuminated Mirrors was recently able to help Polly Marchant, the popular style influencer who has just opened her new beauty studio, Glam by Polly. As a talented makeup artist, Polly needed a Hollywood mirror for her studio and wanted something custom made to fit the space. The team at Illuminated Mirrors were able to craft a bespoke makeup mirror with lights, adding the vital finishing touch to Polly's new beauty studio.

Polly has her own range of makeup products which she sells online via her website, and she has also worked with several online retailers including Pretty Little Thing and Beauty Works. Her makeup collaborations with High Street retailers such as Primark have won her legions of fans, and the time was right for her to set up her own bricks and mortar salon. With interest mounting ahead of its opening day, it was important to get the right look and feel in Polly's beauty studio.

Polly says: "This is an exciting new business venture for me and the team at Illuminated Mirrors has helped add the wow factor to my beauty studio. From the initial specification to build, they were amazing to deal with and have a clear passion for their craft."

Nigel, VP of sales at Illuminated Mirrors said: "It was great to supply and help another exciting local business like Polly's with our bespoke UK made Hollywood Mirrors – I hope her customer's like them!"

The Hollywood vanity mirror the team created for Polly is split into three equal sections, with 36 bright LED bulbs and separate dimmer switches for each section. Polly's clients will be able to enjoy the Hollywood experience when they visit her salon, with this impressive mirror taking pride of place in her treatment room.
