IMAGINE DRAGONS LAUNCH 10 DATE UK SMOKE + MIRRORS TOUR

NEW ALBUM 'SMOKE + MIRRORS' OUT FEB 16TH

With their highly anticipated new album 'Smoke + Mirrors' out imminently, US chart phenomenon Imagine Dragons play ten UK arena shows this November including their biggest UK show to date at London's The O2 on the 5th.

'Smoke + Mirrors', out Feb 16th, uses the frenetic energy of life on the road to infuse their music with both raw tension and intense vulnerability.

Q raved about it in their 4* review saying "Hits? Smoke + Mirrors bristles with them. A modern pop-rock gem."

Live, the band are fast becoming one of the best in the business. Having last toured the UK in 2013 (playing three sold out Brixton Academies, Glastonbury and Reading/Leeds), they garnered some amazing reviews with the Standard saying they were on "citadel storming form", Q that "the anticipation resembled a typhoon in a sardine tin" and The Times that they were "in a class of their own" in their 5* review.
