Industry Leader Bitoomba Outs 3D Bitcoin Slot Machine and Bitcoin Dice Games

Wednesday 29 January, 2014

The Bitcoin gaming industry leader **Bitoomba** is poised to further strengthen its appeal to the online community of gamblers through the launch of its new slot machine called “The Pirates.” Bitoomba’s latest release, which brings the total number of its Bitcoin Slot games to seven, is packaged in a high-definition 3D graphics that make gambling more pleasurable and attractive. Using the latest in design and software technologies, Bitoomba has created its first 3D Bitcoin slot game that complements the gaming experience offered by the other resident slots like Kitten Cash, Emperor, Rock N Roll, Wild Wild West, Lucky Pyramid, and Dino Gold.

Another newly launched game in this Bitcoin Casino is the **Bitoomba Dice**, which takes hints from the highly popular dice games powered by Bitcoin. This new addition to the casino games offered in Bitoomba features a low house edge of only 1%, making it even more attractive compared with other dice games online. Moreover, the Bitoomba Dice game is the first-ever game that offers its first-time players with a welcome bonus. Bitoomba has proven to be dedicated in providing its players with more choices and ways to enjoy gambling and winning.

But besides these new additions to the game library of Bitoomba, this industry leader will even be releasing its very own video poker game soon. With its launch, the **Bitoomba Video Poker** will eventually bring the total number of casino games in this Bitcoin gambling site to seven.

With more new games released regularly, **Bitoomba** has shown its commitment to constantly improve the gaming services it offers. In fact, it uses innovative ways to create and promote premium and provably fair Bitcoin gambling online.

Moreover, **Bitoomba** takes pride in taking advantage of the latest technologies that enable it to bring the gaming level a notch higher. True to this is its utilization of the HTML5 technology, which makes wagering on all Bitoomba games using a desktop computer, a tablet, and even a smart phone possible.

With the smart technology it now has, Bitoomba is also gearing up to launch its affiliate program soon. The Bitoomba affiliate program will have the highest commissions in the industry as well as the most advanced reporting and tracking technologies.
