

Infinigate Cloud: abseiling in aid of Solent Mind

Tuesday 29 August, 2023

Fareham, UK - 29 August 2023. [Infinigate Cloud](#), an expert business unit within the [Infinigate Group](#), specialising in secure cloud solutions, is running a charity abseil to raise funds for their chosen corporate charity, [Solent Mind](#). Everyone is invited to come along and support the team!

The abseil is taking place at the Spinnaker Tower, a 170-metre landmark observation tower in Portsmouth, on Saturday 2 September 2023 from 9am to 6pm and has the target of raising £20,000 for this amazing local charity.

All donations raised from the abseil will help Solent Mind to continue providing high quality mental health services to support the local community. Last year, Solent Mind helped 55,000 people experiencing poor mental health, equating to 1 in 28 of the local population.

Michael Frisby, Senior Vice President of Cloud Services at the Infinigate Group, said, "Mental health and wellbeing are a top priority at Infinigate Cloud and that's why our employees collectively chose to partner with Solent Mind as our corporate charity.

We'd like to invite everyone to come along to support our adventurous abseiling team. It's going to be a fantastic day and I will be personally joining a team of 40 abseilers comprised of Infinigate Cloud employees, customers and partners to descend the magnificent Spinnaker Tower."

Joanne Silsbury, Corporate Liaison Officer at Solent Mind said, "I'm incredibly pleased that Solent Mind have been chosen as Infinigate Cloud's corporate charity this year. I'm so impressed with their commitment to raising £20,000 that I've decided to join the staff and their partners in abseiling down the Spinnaker Tower. I haven't done a fundraising challenge myself for four years so I'm really looking forward to taking part!"

ENDS

About Infinigate Cloud

Infinigate Cloud is an expert business unit within the Infinigate Group specialising in secure cloud solutions.

As a born in the cloud distributor with a deep technical heritage, we continually invest in our teams and evolve our value-add services to ensure we deliver the very best in technical expertise and 24*7 support for our partners.

Our 25+ years of experience in the cloud has taught us that we are only successful if our partners are. Award winning education and go to market services help our partners achieve their full potential and grow their businesses faster.
