Rotkreuz, Switzerland, 22/01/2026 - The [Infinigate Group](#), the leading technology platform and trusted advisor in Cybersecurity, Cloud & Network Infrastructure has appointed [Ben Jones](#) as **Chief Technology Officer (CTO)** for the Infinigate Group.

As Chief Technology Officer, Ben will help ensure Infinigate continues to lead the industry by leveraging data and technology innovation, security and effectiveness to deliver value and a sustainable competitive advantage to customers and vendors.

Ben brings the benefits of his deep knowledge and considerable experience as a Data and Technology leader across a broad range of industries under both private (PE) and public ownership.

A strategic leader with over 15 years' experience in top management team roles, Ben orchestrated successful global transformation programmes delivering exponential organisational value, operational performance improvements, cost efficiencies and cultural change. His latest appointments include his tenure as Global CIO for Nord Anglia education, Global CTO for GfK and Global CTO for Euromoney Institutional Investor.

Marco van Kalleveen, CEO of the Infinigate Group said: "The CTO role is of capital importance to Infinigate, orchestrating essential IT resources and processes that contribute to our business efficiency and competitiveness. I am delighted to welcome Ben, who has the skills and experience to elevate our IT organisation to new heights, to support our next phase of growth."

"I am excited to join Infinigate and work with the global team to ensure IT excellence supports the planned business expansion. I look forward applying my knowledge and experience to fine-tune processes, establish best practices and ensure technology innovation supports our business goals." commented Ben Jones.

Ben takes over from Infinigate's CIO Paul Campbell who has been leading Infinigate's ICT strategic development since July 2024, achieving important milestones in the upgrade, modernisation and integration of the company's IT infrastructure.

Ben will be based in London and his appointment is effective immediately.
