

Infinigate Group Recognised as European Distributor of the Year by Riverbed

Wednesday 19 July, 2023

Rotkreuz, Switzerland – July, 19 2023 – Infinigate, the EMEA cybersecurity powerhouse specialising in cybersecurity, secure networks and secure cloud, today announced that it has won the Riverbed European Distributor of the Year. The awards were presented at the Riverbed European Partner Connect 2023 event in Amsterdam on July 4 – 5. The Partner Awards distinguish partner companies for their work in helping mutual customers unify data, insights, and actions across IT to deliver a seamless digital experience, and providing fast and secure acceleration of any app, over any network, to users anywhere.

Riverbed and Nuvias collaborated closely and successfully for over 15 years, before the latter was acquired by Infinigate in 2022, extending the potential for growth of the partnership.

“We are delighted with the Distributor of the Year award, and proud of what our joint team has achieved. We look forward to our continued partnership and growth, maximised by the rising cybersecurity market opportunity and by our extended resources, as part of the Infinigate Group.” Chris Field, Business Manager, Application Performance and Visibility at Infinigate says. “We are thankful for Riverbed’s ongoing trust and support, a solid basis for our shared success.”

“With this award, we proudly recognize Infinigate for their achievement as a trusted Riverbed partner and valued member of our partner program community,” said Alex Thurber, Senior Vice President, Global Partners and Alliances, at Riverbed. “The Riverbed Partner Awards applaud the success of partners providing Alluvio Observability and Acceleration enterprise solutions to help organizations deliver exceptional digital experiences for mutual customers.”

Riverbed provides the collective richness of telemetry from network to app to end user, that illuminates and then accelerates every interaction, so organizations can deliver a seamless digital experience and drive enterprise performance, leveraging a partner ecosystem that is both profitable for the partner and rewarding for the customer.

The Riverbed Partner Awards recognized partners whose achievements impact business on both a global and regional basis. Partners were nominated and reviewed by a panel representing Riverbed's sales and executive leadership in the region.

About the Infinigate Group

The Infinigate Group is an EMEA cybersecurity powerhouse covering over 100 countries. Growth is in our DNA, with a 15-year double-digit growth record; in fiscal year 2022/23, our revenue was 2.2 billion Euros. Our focus and deep technical expertise on cybersecurity, secure networks and secure cloud for SMB and enterprise set us apart. Our 1,250 employees provide locally tailored services complementing a robust central supply chain, sparking growth for our partners, MSSPs and vendors.

In 2022, [Starlink](#), Vuzion (now [Infinigate Cloud](#)) and [Nuvias](#) became part of the Infinigate Group.
