Infinigate@Infosec: disruptive cybersecurity, AI-Native solutions, Networking and Data Center.

Tuesday 3 June, 2025

Infinigate UK&I will showcase innovative cybersecurity solutions at Infosec Europe in London in collaboration with tech experts from Fortra, iBoss, IronScales, Ivanti, Juniper Networks, Progress and Sekoia; find us at Stand F74.

London, UK, 3 May 2025 – Infinigate UK&I, the leading technology platform and trusted advisor in cybersecurity, cloud, and network infrastructure, will be exhibiting at Infosec Europe, in partnership with leading-edge cybersecurity solutions providers.

Infinigate cybersecurity specialists and experts from leading cybersecurity vendors Fortra, iBoss, IronScales, Ivanti, Juniper Networks, Progress and Sekoia will assist visitors in understanding and navigating their range of solutions to protect customers from the escalating challenge of ever more sophisticated cyber-threat and addressing the real-life challenges CISOs and IT Teams face on a daily basis.

Infinigate will also take the opportunity to inaugurate the Juniper AI Experience Tour, a high-impact roadshow is designed to build channel expertise in Juniper AI-Native Solutions and showcase the commercial opportunity for AI across Networking, Data Centres, and Security Services.

At the centre of the tour is a fully electric ID. Buzz – the reimagined VW camper van – fully wrapped in Juniper and Infinigate branding. This mobile experience will support Juniper Networks and Infinigate in educating the UK and Ireland channel about the power of AI-Driven Networks.

Building on last year's success, *The AI Experience Tour* will bring targeted enablement to hundreds of UK and Ireland channel professionals visiting multiple partner office locations and major city event venues, including London, Manchester, and Dublin.

We look forward to welcoming you at the Infinigate stand, at Stand F74, for expert advice, tech demos, informal chats, fun and refreshments!
