"We've a lot to shout about with the launch of our 15/16 ski brochure. No less than 6 new resorts, a new ski-in/ski-out Chalet Hotel in Champoluc and new chalets in Mayrhofen and Avoriaz. But top of the list must be our new flagship property, the simply outstanding Le Savoie in Val d'Isère which sets new Platinum standards for Chalet Hotels. We've more UK departure airports than ever before and a huge range of ski pack and lifts pass offers to tempt early bookers. With advanced bookings already well ahead of last year, winter 2015/16 looks set to be an excellent season."
