

Innovation Meets Heritage: Spigen Unveils iPhone 17 Collection

Wednesday 10 September, 2025

Spigen has unveiled its new iPhone 17 case collection, continuing a journey that started in the early days of the iPhone. Known for blending innovation with reliability, Spigen continues to deliver [iPhone accessories](#) that go beyond protection to enhance everyday use.

From Day One to iPhone 17

Spigen's journey began with simple solutions for device safety. Over time, it has grown into one of the most trusted names in iPhone protection, refining signature lines like Ultra Hybrid and Tough Armor into global icons. With the arrival of the iPhone 17 series, Spigen continues to evolve—delivering accessories that go beyond protection to elevate the everyday Apple experience.

Ultra Hybrid MagFit Zero One – Refined Clarity for iPhone 17

The Ultra Hybrid line has always stood for clarity and dependable defence. The new [Ultra Hybrid MagFit Zero One](#) brings that legacy into sharper focus with enhanced circuit-board detailing, a polished finish, and familiar transparency reimagined for the iPhone 17. Completing the line is the [Ultra Hybrid T MagFit](#), engineered for MagSafe and designed with camera control functionality for seamless use.

Tough Armor T MagFit – Strength Meets MagSafe

A staple in Spigen's iPhone cases, Tough Armor has long been more than just protection—it represents durability you can trust. Now optimised for the iPhone 17 with MagSafe compatibility, the [Tough Armor T MagFit](#) blends MagSafe convenience with the trusted strength users expect.

Classic C1 MagFit – Retro Reimagined

Inspired by the iconic iMac G3, the [Classic C1 MagFit](#) returns for the iPhone 17. With bold colours including Bondi Blue, Ruby, Tangerine, and Graphite, the design revives a sense of nostalgia while featuring modern upgrades like Air Cushion technology and MagSafe compatibility. It's a statement piece that pays tribute to Apple's heritage while delivering everyday reliability. **Coming soon.*
