

Inspiration 9IE for Windows: now part of TechEd Marketing

Wednesday 15 January, 2020

TechEd Marketing (Pewsey, Wiltshire, UK) are delighted to announce that, having licensed the publishing rights from the software's creators, Inspiration 9 IE for Windows is now part of TechEd Marketing.

A global product with millions of users worldwide, TechEd Marketing will be developing, publishing and selling Inspiration 9 into regions across the globe.

Reeza Awoodun, founder of TechEd Marketing had to say about this announcement;

"As a company with a specialism in special needs and assistive technology, we are excited to be the publisher of this fabulous product. It has changed the lives of millions of students and employees globally; particularly for those with neurodiverse needs and mental health issues."

TechEd Marketing has developed a new website for Inspiration 9 to provide end users, educators and disability/ assistive technology practitioners with the information they need at www.inspiration-at.com. Along with purchasing links, and contact details it is packed full of resources to help people get the most out of Inspiration 9.

The IE edition is the international English version, which uses UK English for the spell checker and thesaurus.
