Introduction of 4 wonderful model courses in Chubu

Wednesday 16 November, 2022

Chubu is a historic region in the heartlands of Japan, and home to many attractive tourist attractions that guests on the Golden Route would never see. Here is 4 model courses that includes great Chubu.

Chubu, Kansai and Kyushu: A Road Trip Through Historic Japan

This huge tour criss-crosses Japan over the course of nearly three packed weeks of activity, adventure, culture and exploration. In this tour, you'll check in at Obama Machiya Stay, a cute traditional inn for travellers that was once a private townhouse in this historic town. You'll meander through Narai-juku, a small town so carefully conserved that it feels like you're walking through a film set! Your dinner is at BYAKU Narai, a convivial former sake brewery that retains the original wooden beams and character of a rustic, bygone era. Each room in this five-star inn has been designed in a unique, timeless fashion

Cherry Blossoms in Chubu

Cherry blossom season is the cultural highlight of the Japanese calendar. Every spring – at a slightly different time each year – *sakura* trees across the country come into bloom, suffusing the towns and countryside with a sudden and gorgeous flush of pink and white.

You'll be staying at LOQUAT Nishiizu, a historic guesthouse that was once the residence of the local lords, the Suzuki family. This is a truly sumptuous experience – the villas have been lovingly restored to very high specifications, and there's an on-site onsen (a natural hot spring and spa) to melt away the cares of travel, while a magnificent dinner will be prepared by the guesthouse's expert chefs.

Winter Adventures in Japan

You will travel to almost every corner of Japan on this incredible tour, which kicks off with a visit Tokyo and ends with a tropical retreat on sunny Okinawa, after three days of skiing in the snowy Japanese Alps. Sake is a delicate rice wine brewed right here in Japan. You'll spend two nights in Saku, a small town to the west of Tokyo, where you'll learn how to brew top-quality sake. You'll stay at Bed & Crafts Tateguya and begin practical woodworking training under the watchful eye of Inami's traditional craftsmen.

The Treasures of Chubu

Beneath wide-open skies, this road trip through central Japan will bring you to some of the country's most spectacular natural wonders and immerse you in its most intriguing history and customs on a 14-night itinerary that will leave you with an appreciation to last a lifetime.

In this course also get hands on with a woodcarving workshop where you'll learn the traditional art of Inami and shape a spoon from a block of cherry wood, and quite literally step into the art in Tokyo's biggest immersive art experience.
