

Is Journalism's Demise Inevitable? New Book Challenges Perception

Thursday 29 May, 2025

FOR IMMEDIATE RELEASE

Cambridge, UK – May 29, 2025:

Thorough, challenging and controversial book, *Saving Journalism: The Rise, Demise and Survival of the News* by Dr. Jenny M. Taylor launches from Global Resilience Publishing on May 29, 2025, as an urgent and vital examination of the crisis facing journalism today and a call to action to enhance its essential role in nurturing freedom, accountability, responsibility, and democracy.

Available in hardback for £35 (344 pages), ISBN: 9781913738334, the book can be ordered from May the 29th, 2025, at <https://pipparannbooks.com/book/saving-journalism/>

Drawing on a career in journalism and scholarship spanning decades, Dr. Taylor explores journalism's heroic spiritual origins, its current challenges amid digital disruption and misinformation, and what must be done to save the Fourth Estate. The book is both a historical narrative and a passionate plea for renewal in an era when "the most prodigious capability for spreading lies the world has ever seen" threatens public trust.

Endorsements for *Saving Journalism*

"A brilliant and unexpected study of how journalism came to be the enfant terrible of the modern world, and what it would mean to lose it."

– **Tom Holland**, historian and prize-winning author

"An important book... lays the groundwork for a renewal of healthy journalism."

– **Revd Professor Craig Bartholomew**, Kirby Laing Institute, Cambridge

"All journalists should read it, as should many others. There is nothing else quite like it."

– **Paul Marshall**, Wilson Distinguished Professor, Baylor University, USA

"Jenny Taylor's passionate and captivating analysis of journalism's spiritual roots helps explain many journalists' brave and determined pursuit of social justice."

– **David Lush**, journalist, ex-publisher, and development worker
