

James Foster's Luxury Spirit Partners Are Tapping Into The Brandy Market

Thursday 30 November, 2023

James Foster is a connoisseur of high-end alcoholic beverages who has facilitated luxury spirit ageing programs for high-net-worth individuals and companies for many years. He is also the founder of **Luxury Spirit Partners (LSP)** in France. **LSP** focuses on a market that has been kept secret by HNWs and institutions: **Brandy**.

With many companies already operating in the whisky and wine markets for retail investors across the globe, **James** has identified a gap in the market for **aged limited-run Brandy**. He has, therefore, set up a network of contacts in the **Brandy ageing** business and has partnered with a large distillery in the **Cognac** region of France to produce, distil, and age his latest alcoholic adventure.

LSP offers individuals the opportunity to purchase their own **Brandy** and become partners with them. The **Brandy** will be fully managed by **LSP** and sold on behalf of the individual after a **5-year ageing period**. Partners can expect to earn between **9% and 14% per annum** for their **Brandy ageing investment**.

If you're interested in learning more about this opportunity or the company involved, please feel free to email them directly at info@luxuryspiritpartners.com.
