Jessamy Staffing Solutions with Jessamy Platinum Homecare Announce 2025 Staff Appreciation & Development Awards Party

Jessamy Staffing Solutions, in partnership with its specialist division Jessamy Platinum Homecare, is proud to announce a landmark evening dedicated to celebrating the people at the very heart of its mission – its extraordinary care teams.

The Staff Appreciation & Development Celebration will be held on Saturday, 20th September 2025 at the Village Hotel, Warrington. This much-anticipated event will bring together staff, commissioners, partners, friends, and family for an evening of recognition, inspiration, and heartfelt celebration.

More Than an Event – A Tribute to Care

This is not simply a staff party. It is a profound expression of gratitude, honouring the dedication, compassion, and professionalism of those who serve children and adults living with complex needs, learning disabilities, autism, and mental health conditions across the North West.

At the centre of the evening will be Jessamy's enduring values: Kindness. Love. Care.

Chief Executive Officer Pauline Vuyelwa Muswere-Enagbonma will open the celebration with a keynote that pays tribute to “the quiet, steadfast acts of care that form the lifeblood of our mission and the heartbeat of everything we do.”

An Unforgettable Evening of Recognition & Inspiration

The evening will include:

- **Keynote Address by Professor Celestine Iwendi**, an international authority on innovation in social care.
- **Prestigious Staff Awards**, including Heart of Gold, Dignity in Care, Communication Excellence, and the highly coveted Platinum Excellence Award.
- **The Founding Visionary Award**, a unique one-time honour presented to **Co-Founder Mr Enagbonma** for his outstanding contribution to the growth and ethos of the Jessamy group.
- **Global Flavours Banquet**, featuring authentic dishes inspired by West Africa, the Caribbean, and international cuisine.
- **Music & Celebration**, ensuring the night is both inspirational and joyous.

Integrity at the Heart of Recognition

Each award has been determined through a fair, transparent, and bias-free process, combining peer nominations, family and client feedback, and management evaluation against clear criteria – ensuring every recognition is both authentic and deserved.

A Vision Beyond Celebration

This year's event is also a moment to share Jessamy Platinum Homecare's vision for the future, including:

- Expanding **CPD-accredited leadership** programmes.
- Enhancing service delivery through **JessamyCareOne**, an innovative digital care management system currently in development with leading industry experts.
- Strengthening commissioner and community partnerships to meet the region's increasing care demands.
