

Jet2.com and Jet2holidays Expand Winter Sun Programme

Friday 19 June, 2015

- *MORE flights to Alicante this October and November*
- *NEW early winter flights and holidays to Majorca for 2016*

Leading leisure operators, **Jet2.com** and **Jet2holidays**, are giving holidaymakers even more opportunities to get some winter sun with the launch today of **MORE** flights to Alicante from three of its UK airports.

A total of 42 extra flights will now be available to the Costa Blanca from Glasgow, Leeds and Manchester Airports, providing 7,000 additional seats overall. The new flights will operate between 30th September and 16th November 2015, meaning even more availability for October half term. It also gives people the chance to experience the iconic Benidorm Fiesta which takes place between 7th and 11th November 2015.

What's more, **Jet2.com** and **Jet2holidays** are launching a new winter programme to Majorca for next year from Edinburgh, Leeds Bradford and Manchester Airports. Flights will be commencing as early as 11th February 2016 and 19 winter properties will be available through **Jet2holidays** and **Jet2CityBreaks**.

Steve Heapy, CEO of **Jet2.com** and **Jet2holidays** said: "Alicante and Majorca are two of our biggest and most popular destinations so we're thrilled to be expanding our winter flights and holidays programme to give people more of what they want – even more opportunities to visit their favourite places.

"We were particularly keen to develop a new winter programme to support Majorca's fabulous year-round product. It's a fantastic destination not only for sun seekers but also keen cyclists and golfers and I'm confident our announcement of earlier flights and holidays for 2016 will be welcome news to our loyal customers."
