NOTES TO EDITORS

About JOHNNIE WALKER® BLUE LABEL™

JOHNNIE WALKER BLUE LABEL is one of the pinnacle offerings from JOHNNIE WALKER.

Only sublime, rare whiskies at the pinnacle of perfection are used in the blending of JOHNNIE WALKER BLUE LABEL, with only 1 in 10,000 casks containing whisky of sufficient character to deliver its remarkably smooth signature taste. Each is hand selected by the JOHNNIE WALKER Master Blender himself, part of an unbroken lineage of Master Blenders stretching back over 190 years - it is the ultimate expression of whisky making today and an remarkable achievement for the modern era.

Presented in individually numbered bottles, it is reminiscent of the 19th century style of whiskies. The Master Blender uses his decades of experience to select some of the rarest casks from the JOHNNIE WALKER reserves for their quality, character and flavour to create the powerful, complex, smooth character of BLUE LABEL.

BLUE LABEL has a mellow, rounded nose, with a dry smokiness (a JOHNNIE WALKER signature flavour) mixing with raisin sweetness. It is best savoured with the palate cleansed and cooled by iced water. One sip reveals a velvety mouth-feel, then an explosion of flavour. At once you'll discover hazelnuts, honey, rose petals, sherry and oranges. Subsequent sips reward you with more hidden secrets like kumquats, wispy aromatic smoke, sandalwood, tobacco, and dark chocolate.
