

Join Us in Shaping the Future: Lincolnshire Housing Partnership Seeks a Visionary Chief Executive Officer

Monday 8 April, 2024

At Lincolnshire Housing Partnership (LHP), our mission is clear: to put our customers at the forefront of everything we do. As a local housing association deeply rooted in the communities of Lincolnshire, we're embarking on a transformative journey. We're in search of a dynamic leader who shares our passion for creating thriving neighbourhoods where every individual can flourish.

The Role We're Offering

We're not just seeking a Chief Executive Officer; we're seeking a visionary who is not only adept at strategy but also deeply committed to our social purpose and our role within local communities. We're looking for someone who understands that our homes are more than just structures; they're the foundations of people's lives. Your leadership will inspire our team, propelling us towards our strategic goals with a genuine dedication to making a social impact.

Reporting directly to the Chair, the Chief Executive Officer will be responsible to the Board for steering LHP towards its vision, strategic direction, and performance against key objectives.

Anthony Read, Chair of the Board at LHP said: "This is more than a leadership position; it's an opportunity to be part of something much greater. This isn't just an important time for LHP but for Lincolnshire as a whole – the region is on the cusp of development and opportunities that can shape the area for decades to come.

"We can be a big part of that. If you share our belief of putting the customer at the heart of our business, are driven by a desire to support and change lives and are ready to lead with integrity and a commitment to learning and growth, we would be delighted to hear from you."
