

JuliaHair New Arrival Of 5x5 BlendAway HD Lace Closure Wig

Friday 30 August, 2024

JuliaHair combined customer feedback and production technology to carry out iterative upgrades.

[JuliaHair Bye-bye Knots Lace Wig](#) is to help women say goodbye to those poorly designed wigs. At the same time, this wig is also called a 7x5 bye-bye knots wig, bleached knots lace wig.

When JuliaHair designed this wig, it was upgraded and transformed based on the previous "Wear And Go Pre-cut Wig". It constantly tried colors by hand to explore the invisible knots and maintained the integrity of the knots with a gentle touch without affecting the quality. Glue-free installation, 7x5 golden ratio lace, and an additional pre-styled hairline help clients enjoy comfort and a seamlessly integrated scalp.
