Keystone delivers another successful exit to investors - Cumulative returns have now exceeded 60% for the year.

Wednesday 26 June, 2019

Sheffield based Keystone Property Group's 7th successful property investment opportunity has delivered another market beating return for both income and growth investors.

Over two years, the investment yielded **22%** for income investors and **30%** for investors who opted for growth.

Empire Property Holdings is Keystone Property Group's seventh successful property investment opportunity, and our 3rd
completed investment off 2019. **Cumulative returns have now exceeded 60% for the year.**

Keystone Property Group CEO Desmond Conway said: "In 2016, we identified Doncaster based property investment firm Empire Property Holdings as a potentially lucrative investment for clients. After a thorough period of due diligence, consultation and inspection visits, we were happy to start recommending Empire to our clients.

Empire Property Holdings are an excellent example of the like-minded partners we seek out.

About Keystone Property Group

Specialising in traditional and alternative property investment opportunities, Keystone Property Group bridge the gap between developers and investors. The Group source and create exclusive high-return prospects that meet the demands of the modern investment market. Working with both world-leading developers and an extensive network of national and international property investors, both parties are rewarded with services they require, including but not limited to: development, development acquisition, and developer level returns. Raising £60 million over a three-year period, and delivering clients an average return of 21% per annum since 2016, Keystone Property Group are one of the fastest growing real estate investment firms in the UK.
