Kiiroo and Datoro Media launch Interactive Video Network FeelPornStars.com

Friday 15 April, 2016

Datoro Media, partnered with sex toy innovators Kiiroo, has launched a cutting edge interactive video site, FeelPornStars.com. The newest and best of its kind, FeelPornStars.com offers interactive videos from all of today's most renowned porn stars. These high-quality videos sync with Kiiroo's smart male masturbator, Onyx, so that members can feel every erotic movement – in real-time. Members simply purchase “coins", which are then used to buy a wide range of content.

“FeelPornStars offers the most complete collection of high-quality interactive videos," says Datoro Media CEO, Etienne Vergeer, who is pleased to offer a comprehensive home for this sought after content. “Customers do not need to look further to find their favorite video from their favorite porn star."

Leading adult performers such as Tanya Tate, Lisa Ann, Bobbi Eden and Jasmine Jae, will not only be featured on FeelPornStars.com, but they'll also offer their own personally designed Kiiroo package. This will provide customers with a complete erotic experience: An Onyx male masturbator, plus a free video.

“Our newest partners Tanya Tate and Jasmine Jae have broad experience in the adult industry and a huge fan base," says Kiiroo CEO Toon Timmermans, thrilled to add these two new stars to the virtual family. “I'm excited that we can collaborate with them to offer their fans a completely new experience."

“I am excited that my fans can really feel me now when they purchase their own Tanya Tate Experience. Not only will they get to feel my pussy around them, but they can also interact with me by watching my videos. This is the closest they can get to having sex with me," says Tanya, with Jasmine adding: “It is amazing that everyone can now watch my videos and experience them in an entirely new way."

In the coming months, videos of new stars will go live. Next to the ladies mentioned before, FeelPornStars will feature more famous stars like Alexis Texas, Katsuni, Nikki Benz, Asa Akira, Sasha Grey and Jenna Haze.

Begin your interactive porn journey today by heading to FeelPornStars.com and picking up your own Experience package. Special deals are available now.
