Dubai – U.A.E — Knightsbridge Savings, the huge AI finance company, known for offering diverse investment opportunities to customers, is proudly announcing improved rates for its investment products for 2026.

Knightsbridge Savings is now offering the same high-quality service, simplified account management, and consistent performance for its entry-level and high-end packages.

“The trading team behind the investments has been trusted to handle millions of pounds from around the globe,” said Henry Prescott, Knightsbridge Saving’s spokesperson.

The Easy Access plan remains one of Knightsbridge Savings most widely chosen entry-level investment options, particularly suited for individuals new to fixed investments. With a minimum investment requirement of £250, the plan is designed to lower the barrier to entry.

Easy Growth subscription plan is a popular choice among more experienced investors, offering a flexible monthly interest rate designed to accommodate mid-range capital commitments. According to the company’s analysis, this is the only Knightsbridge Savings investment product with unchanged monthly interest rates, as the previously established offer demonstrated stellar performance in 2024/25.

With a minimum investment of £5,000, the Easy Growth is designed for those looking to deliver competitive returns while still benefiting from dedicated account management and professional oversight. The tiered structure means returns increase in line with the amount invested, making it a practical option for those ready to scale their portfolio that’s designed for stable performance.

Simple Income has received a major bump to its monthly interest rate for April 2026. The minimum fixed entry point remains £50,000 and continues to be the staple choice for high-net-worth individuals seeking “long-term income strategies with a focus on portfolio stability and minimal active management, and the convenience of a hands-off, professionally managed investment solution.

All three plans come with the signature benefits Knightsbridge Savings is known for, including 24/7 customer support, flexible transaction terms with no fees for early withdrawals or deposits, and the assurance of a fully regulated brokerage.
