

Kocolala - The Worlds Most Luxurious Lingerie

Wednesday 11 December, 2013

Kocolala Lingerie is a new innovative and exciting brand, inspired by the contours and structures of a woman's body, her sensuality and sexuality. Kocolala pride themselves on their fun, risqué designs which embrace all shapes and sizes.

The 2014 range has a signature aesthetic of criss-cross detailing, luxurious silk satins, silk chiffons, Swarovski crystals and solstiss lace for a textured range that plays with the senses. Within collection are sensual quarter cup bra and thong sets, suspender dresses, cut-out bodysuits, a dramatic floor length chiffon robe and a stunning made-to-measure corset to name a few. Pictured is the Cleo high waist open back knicker, a key piece in the collection.

Kocolala look forward to working closely with purveyors of luxury lingerie and consumers can purchase the pieces through their boudoir-boutique at kocolala.com.
