

Koda Cryptocurrency wins 'Most Trusted Crypto Company 2021' at The Crypto Expo Dubai 2021

Friday 22 October, 2021

Koda Cryptocurrency picked up the award for 'Most Trusted Crypto Company 2021' at CED2021, The Crypto Expo Dubai 2021, on Friday 15th October 2021.

[Koda Cryptocurrency](#), marketed by SummitBC Ltd, is an exciting new UK cryptocurrency based in West London who are on a mission to change the way people see cryptocurrency.

The project is gaining a strong reputation for their core values which revolves around T.E.E- Trust, Education and Ease (of use). Koda, was a diamond sponsor at [CED2021](#), which ran from October 14-15, 2021, at Festival arena, Festival City in Dubai, and had more than 8000 people attend the hybrid event, with more than 80 crypto industry speakers and 64 crypto companies present.

The Crypto Expo Dubai is touted as the largest cryptocurrency event in the region and is a gathering for Investors and crypto industry leaders to network and explore more business opportunities in the crypto space.

The event organiser added that "Our event has delivered the best conference and enhanced networking opportunity that has helped individuals and businesses to gain the knowledge in the digital assets and blockchain industry."

Koda Cryptocurrency/SummitBC CEO James Gale collected the award on the main stage at the event and announced earlier in the day exciting plans for the project, which has now surpassed 10,000 holders and is entering the migration stage of their 'gold standard' token to Koda V2 following a successful audit from renowned blockchain auditors [HashEx](#) who most recently worked with Safemoon. SummitBC believe this migration will help towards their statement that they are 'safer than Safemoon'.

Furthermore, there were updates on the highly anticipated launch of Kapex (Koda-Apex), a brand-new reward token which is currently in the whitelist pre-sale acceptance stage- approaching the general pre-sale release- and SummitSwap, SummitBC's own revolutionary cryptocurrency swap site, which is expected to have a significant impact on the industry once it launches at the end of the year.

Since its inception in May 2021 Koda Cryptocurrency, under the SummitBC portfolio, has made a steep upward curve in the crypto world. SummitBC is led by CEO James Gale, a hugely successful business owner, developer, and serial entrepreneur. James' vast experience in business management, marketing and systems development put SummitBC in prime position to make a huge impact, particularly in the coming months with key projects in the pipeline.

Next up on the Koda Cryptocurrency radar is the [AIBC Expo Malta 2021](#) from November 16- 18 2021.
