

# La Belle Assiette Conquers London And Welcomes Its 100th Chef

Thursday 14 May, 2015

- Unprecedented growth in the first 6 months
- 300+ menus from cuisines around the world
- Featuring Masterchef contestants

When La Belle Assiette entered the UK market 6 months ago it introduced a new food concept: **eating-out-at-home**. In this short period it has seen accelerated and exciting growth. Today, the UK team at [La Belle Assiette](#) is excited to announce that it has reached a huge milestone: **100 chefs are now serving London**.

Choose a menu or create one with a chef, invite your guests and enjoy their company, stress-free. The chef hand picks fresh produce, cooks in your kitchen, serves each dish to you and cleans-up before leaving. La Belle Assiette [validates](#) all its chefs to ensure that its customers have a perfect eating-out-at-home experience.

The British appetite for cookery programmes is bigger than ever with shows like Masterchef and the Great British Bake Off drawing audiences of over 4 million (10 Masterchef contestants are working with La Belle Assiette in the UK). The chef's table at restaurants being the most popular and the desire for people to know where/when/what/why and how a dish has been created - La Belle Assiette is set to be a huge success story.

London holds the keys to success; to the rest of the UK and other major cities in the world. Currently the leader in Europe, [La Belle Assiette](#) is on track to become the world's largest private chef service with ambitious plans for the next two years. Setting out to double the chefs it works with every 6 months, by 2017 La Belle Assiette hopes that most Londoners will have tried and enjoyed this new eating-out-at-home experience.

## What it means to have 100 chefs in London:

- The opportunity for interesting and diverse dining experiences, from masterclasses to seven-course tasting menus.
- With over 300 menus to choose from there really is something for every culinary appetite.
- A supportive and supported network of entrepreneurial chefs. With 3 levels of service (Temptation, Prestige and Signature) there is a menu for every budget.
- A community of chefs carefully selected and then [validated by our jury](#) to provide the perfect at home dining experience.
- La Belle Assiette can organise 100 dinner parties on one night!

*"This is an important milestone in La Belle Assiette's growth in the UK. It took us 2 years to get to 100 chefs in Paris and just 6 months in London! The chef talent and cuisine variety in London is amazing, we now have a great offering throughout the city and Greater London. We're incredibly proud to have gained the trust of the local chef community so fast. I expect London to be one of the top cities for La Belle Assiette."* reveals Stephen Leguillon, co-founder and CEO.
