LAMBORGHINI HURACAN SPYDER ADDED TO SUPERCAR HIRE FLEET

Monday 11 June, 2018

Supercar Hire has added a brand-new Lamborghini Huracan Spyder to its fleet of supercars, which is now available for hire across the UK. Company fleet manager Aaron Girling explained that this latest addition was another milestone for the highly popular East Midlands based exotic car rental company.

'Since the start of our journey, the <u>Supercar Hire mission</u> was to make the absolute best supercars in the market easily accessible to a greater number of people. With its powerful V10 engine and distinctive Italian sleekness, the Huracan Spyder is the epitome of thrilling, cutting-edge supercar design. We are beyond certain our clients are going to love test-driving this modern motoring masterpiece,' Girling commented.

Following high demand and increased popularity throughout the UK, Supercar Hire is looking to add even more selections to its already sizeable fleet over the coming year. The company currently boasts a great number of supreme vehicles for motoring enthusiasts of all kinds to enjoy, including Bentleys, Aston Martins, Audis, Ferraris, Jaguars and much more.

Thanks to its convenient central location, Supercar Hire has fast become one of the UK's leading supercar rental specialists. The company offers clients the ability to hire a wide range of high-end exotic cars at convenient prices, all backed by an efficient, reliable service.

Supercar Hire also organises a varied selection of driving experiences, from mystery road trips in multiple vehicles to circuit track days complete with expert tuition. A continually updated list of all available cars and driving experiences can be found at <u>www.super-car-hire.co.uk</u>.
