

Legacy Youth Zone Launches “Legacy 100 Club” to Unite Local Businesses in Transforming Young Lives

Monday 25 August, 2025

100 companies. £100 a month. One year of change.

Legacy Youth Zone today announced the launch of the Legacy 100 Club — a unique initiative to bring together 100 local companies, each pledging £100 per month for one year to help create brighter futures for young people across the borough.

Every pound raised will support Legacy Youth Zone’s work providing a safe, inspiring space for thousands of young people aged 8–19 (and up to 25 with additional needs), offering activities, mentoring, skills training, and life-changing opportunities.

Myke Catterall, CEO of Legacy Youth Zone, says, “This is about local businesses standing shoulder-to-shoulder for the next generation. For just £100 a month, companies can have a lasting impact — and together, 100 of us can raise £120,000 in just 12 months to invest in youth and build a lasting Legacy.”

The Legacy 100 Club offers members:

- Recognition on Legacy Youth Zone’s website and social media channels.
- A Legacy 100 Club digital badge to display online and in-store.
- Invitations to exclusive networking events with fellow members.
- The chance to see their support in action with youth zone tours and volunteering opportunities.

Local companies are encouraged to join now and be recognised as a **Founding Member** of the Legacy 100 Club. If you would like to visit Legacy Youth Zone, why not head to their Birthday Community Day
