LIAM MCPHEE AND THE THIEF OF LAUGHTER

398 pages

A story with a Scottish heart.

“A magic tale that offers fun for young readers, but skews toward adults in scope.” Kirkus Book Reviews

“The plot which revolves around the magical Dunvegan Cup of Dunvegan Castle on the Isle of Skye, is as straight-forward and colorful as a soccer match.” Kirkus Book Reviews

“Especially recommended for young adults who enjoy multi-book and winding fantasy sagas, Liam McPhee & The Thief of Laughter is refreshingly original tale, well-steeped in Scottish atmosphere and culture, and replete with enough unexpected twists and turns to make it a top pick for all ages”.
