LIFESTYLE FITNESS ANNOUNCES REFURBISHMENT OF GYM WITHIN MACCLESFIELD COLLEGE

Monday 24 April, 2023

Macclesfield, England, 24 April, 2023

Lifestyle Fitness is excited to announce the refurbishment of its club based within Macclesfield College, which is underway and almost complete. Working in collaboration with Macclesfield College, Lifestyle Fitness are carrying out a high-spec refurbishment of the club, which will enhance the fitness experience for members and students alike.

"We are thrilled to be working with Macclesfield College on the refurbishment of the club," said Lifestyle Fitness Managing Director, James Lawrence. "We are passionate about delivering the community the highest quality in both our service and equipment to ensure everyone gets the most from their workout. We've been working on refurbishment plans at Macclesfield for some time and we can't wait for our members to see the final product."

The refurbishment will feature a brand new spin studio, a new functional zone, upgraded changing facilities, a more spacious gym floor, additional brand new equipment, and a larger free weights area. The new features will provide members with a wider range of brand-new, high-spec gym kit so they can get the most from their workout.

Work on the gym started earlier this month, and the full refurb is expected to be complete by mid May. Lifestyle Fitness have also been able to remain open during this period, meaning members' fitness plans need not be disrupted.

'We are delighted to welcome the refurbishment of the gym and are excited to see the new facilities and equipment in action,' said Rachel Kay, Principal and Chief Executive for Macclesfield College. 'Our staff and students will benefit greatly from the refresh and we look forward to the gym's ongoing success in the future.'
