

Local air ambulance charity to hold recruitment event

Wednesday 29 September, 2021

For the first time, local life-saving charity, Essex & Herts Air Ambulance (EHAAT), is holding a recruitment open evening to showcase the wide range of exciting job opportunities they currently have available.

The event, which will take place on Monday 4th October between 5pm and 8pm at their North Weald Airbase, 10 minutes from junction 7 on the M11, is free to attend and open to anyone that may be looking to take the next step, in their career.

Caroline Beresford, Head of HR at EHAAT explained the reason behind the event. "EHAAT is a charity that provides a Helicopter Emergency Medical Service for the critically ill and injured of Essex, Hertfordshire and the surrounding areas. We operate out of our airbases at North Weald and Earls Colne. Our charity team consists of around 60 people, working across the three main functions: fundraising, clinical and operational.

"Due to new innovations, promotions and career development, we have several vacancies that have opened up, so we have decided to open our doors and we are asking people to come along – armed with their CV – to talk to us about joining us in our mission to save lives!"

Almost entirely funded by public donations, EHAAT attended 2,366 life-saving missions last year across Essex and Hertfordshire and it forms an important part of the emergency services supporting the NHS.

Those wishing to come along on the 4th October should visit www.ehaat.org/jobs for more details including directions, along with viewing the current list of vacancies available.
