Local West Wight Charity Needs Help

Thursday 19 May, 2022

West Wight Men In Sheds, a small charity based in Totland Bay. That provides a community workshop and meeting place to help tackle loneliness and isolation by bringing like minded residents together in the West Wight.

Members of the shed work on projects that support the local community as well as their own projects. They also have members that just come along to the workshop for the company and to have a cup of tea or coffee and of course some biscuits.

Due to there ever increasing membership numbers West Wight Men In Sheds are trying to raise funds to create a separate machine shop for its members. They are trying to raise £3,500 and have set up a JustGiving Page:
