Lovell Releases Apartments At Lincoln Gardens

Friday 24 July, 2015

Home buyers can now reserve the first two-bedroom apartments being built at a Lovell Homes' development in Doncaster.

The house builder has released a collection of six, stylish two-bedroom apartments at its development, named Lincoln Gardens, which are available with the Government-backed Help to Buy scheme.

The Wolseley and Wycliffe apartments benefit from an entrance hallway, spacious open plan lounge/dining/kitchen area, a master bedroom with an en-suite shower room and a separate bathroom.

Located off Carr House Road, the modern apartments feature a high specification, including under unit lighting in the kitchen and integrated appliances. Each apartment also comes with an allocated parking space and a secure entry system.

Sue Bowker, Sales Adviser at Lincoln Gardens, comments: "The apartments have been designed to suit a range of buyers, from homeowners looking to downsize and move into a more manageable property, to first time buyers and couples.

"Home buyers can find out more about purchasing the Wolseley or Wycliffe apartments by visiting our development where they will have the opportunity to find out more about Help to Buy which is available on the apartments, as well as our other range of two and three-bedroom houses."

With Help to Buy, home buyers need only a 5% deposit and 75% mortgage to secure their home, which is backed up by a 20% equity loan from the Government.

The apartments, which will be ready to move into in October, are priced at £86,500 or can be purchased for £69,200, when using the Help to Buy scheme.

Buyers wanting further advice on the home buying schemes available at Lincoln Gardens should visit the marketing suite and show homes, open from 10am to 5pm, Thursday to Monday. Alternatively, call 01302 511 224 or go to www.lovellnewhomes.co.uk for further details on available homes.
