Friday 24 February, 2017

Schmitts Casino are offering one lucky punter the chance win one of the worlds biggest progressive jackpots.

The progressive jackpot on the King Cashalot slot game currently stands at € 630,248.61. King Cashalot is just one of over twenty progressive jackpots available at Schmitts Casino, all of which are part of the worlds best progressive jackpot networks.

Schmitts Casino marketing manager, James Smith was overjoyed by the news of the size of the jackpot currently being offered; *"We love offering huge jackpots and have had some really big winners in such a short space of time. It is what every online slot players dreams of and we shall be making sure that we continuously keep offering these great jackpots."*

"Our brand attracts players from around the world and is exponentially growing in the UK gambling market due to it's advanced mobile casino games and it's state of the art mobile friendly design."

Schmitts Casino has teamed up with Progress Play in 2017 to launch a European focused online/mobile casino. Both parties are working hard to ensure this dynamic casino is a hit in the market place. We are working together to create that true VIP environment.
