Malta-Headquartered Commodity Trader Alkagesta Earns Great Place To Work Certification™

Thursday 19 November, 2026

Alkagesta has been Certified™ by Great Place To Work® in November 2026, following an anonymous survey of employees across the Malta-headquartered trading house. The recognition is based entirely on what colleagues reported about their day-to-day experience of the workplace, measured through the Trust Index™ survey of trust, fairness, and pride in their work.

The result reflects the views of employees across the different functions of the company, given in confidence and without attribution, and provides the HR function with a baseline as the team continues to develop across 17 offices and representations worldwide.

The certification arrives at the close of a year in which Alkagesta recorded record first-half results, promoted Darren Axisa to Country Manager Malta and Anthony Guida to Biofuels Trading Desk Lead, and continued to add roles in trading, operations, finance, and compliance. Alkagesta employs 167 professionals and was founded in Malta in 2018 by its management team, which remains privately held and governed by senior leadership.
