MARK WARNER LAUNCHES NEW BEACH RESORTS 2013 BROCHURE

Thursday 29 November, 2012

Including new four star resort, British Airways Flights and FREE WiFi At All Summer Resorts.

If you are already thinking about next year's summer holiday, then get hold of specialist tour operator Mark Warner's new summer 2013 'Beach Resorts' brochure, out now!

As well as all the usual great holidays, the brochure is packed full of new holiday ideas like Mark Warner's new four star resort opening next year, Lemnos Beach Resort on the island of Lemnos, Greece, which will offer accommodation on a full board with wine basis, as well as all the usual Mark Warner waterfront, tennis, mountain biking activities and childcare facilities.

Other new developments from Mark Warner for 2013 include British Airways flights on all of its routes out of London, as well as FREE WiFi at all eight of its summer resorts in 2013 – both of which have been introduced due to customer demand, plus:

• The village style accommodation at Lakitira Beach Resort in Kos has undergone a full refurbishment to bring it to the same standard as the hotel. Additionally, the resort's watersports equipment has been upgraded and quantities increased in time for the 2013 summer season.

• 50 rooms at San Lucianu Beach Resort in Corsica have been upgraded to a deluxe or superior standard.

• The five star Levante Beach Resort in Rhodes will see the opening of a third restaurant – a Greek Taverna serving traditional Greek food with a contemporary twist.

• Perdepera Beach Resort in Sardinia will have an upgrade to its watersports kit in time for the 2013 summer season.

Brochure prices start from £655 per person for a week at Levante Beach Resort in Rhodes, departing 4th May 2013 and including return British Airways flights from Heathrow Terminal Five, seven nights half board accommodation, resort transfers, seven nights accommodation on a half board basis, Kid's Clubs (over two years), evening childcare, Teenager's Club, watersports and tuition, use of tennis courts and aerobics and fitness classes and mountain biking.
