

meetspaceVR announces new venue in Guildford, Opening March 4th

Friday 3 February, 2023

Guildford (Feb 3rd, 2023) - meetspaceVR is bringing Zero Latency, a global leader in immersive entertainment, to Guildford, Surrey. Opening on Saturday March 4th on the Riverside Business Centre just off Walnutt Tree Close. The 2400 sq ft free roam arena will feature Zero Latency's next generation technology, allowing groups of up to eight players to get fully immersed in mind-bending worlds with more freedom of movement and instinctive game play than ever before - all without the need for backpack, extra wires or other distractions. Tickets go on sale from Sat 4th Feb.

"It's a proud moment to bring meetspaceVR to Guildford. I've been running code clubs across Guildford and Surrey for many years and I've always promised we'd bring Zero Latency to Guildford". said meetspaceVR CEO John Lilley.

"Guildford is a real hub for video game development and bringing Zero Latency's warehouse scale experiences to the scene will continue to put Guildford on the map for nurturing creative talent". said John.

Now with over 60 locations worldwide, Zero Latency continues to innovate within the virtual reality location based entertainment sector by transporting groups of up to eight people on missions in entirely new worlds.

Zero latency games are critically acclaimed; "This surreal multiple player experience is the world's most advanced, free-roaming virtual reality" FORBES. Players fight or flight instincts are engaged and the game play so instinctive anyone can play. You do not have to be a gamer.

Guildford will be meetspaceVR's sixth Zero Latency venue. The physical, large-scale arenas allow guests to move freely and enjoy heart-racing adventures effortlessly. Achieved through a combination of the latest 6E wireless technologies to seamlessly stream 5K VR to all players simultaneously, and the HTC VIVE Focus 3 to deliver a comfortable experience that increases performance up to 16 times greater than that of traditional all-in-one headsets.

meetspaceVR brings the best in class, social, VR experiences all under one roof. From the award winning slap in the senses that is Far Cry VR, to firm family favourites like Arrow Song. there are games and experiences to suit all tastes and accommodate large social groups of players vs isolated individual experiences.

meetspaceVR ft. Zero Latency Guildford is located at Unit 6, Riverside Business Centre, Walnut Tree Close, Guildford, GU1 4UG. Prices vary by experience, day and time with an early bird discount of 30% off any booking made during February. Use code [MINDSBLOWN] at check out.

About Zero Latency:

Zero Latency is a global leader in immersive entertainment, working at the cutting edge of VR and location-based experiences. With more than 60 venues across over 20 countries, Zero Latency is the largest free-roam VR network in the world. Since opening the world's first free-roam VR venue in 2015, Zero Latency has thrilled more than 2 million players worldwide. Over the past year alone, the company has seen 288% growth globally. Zero Latency is continuously innovating to raise the bar for their players. Other firsts include:

- Partnering with Microsoft in 2019 to develop "inside out" tracking technology.
- Launching Sol Raiders in 2019, the world's first free-roam eSports game.
- Releasing the AAA-exclusive Far Cry VR experience alongside Ubisoft in 2021.
