Park City, New York, and Hong Kong, August 22, 2022 – Meraki Global Advisors (“Meraki”), a leading global multi-asset outsourced trading firm, today announced that Jeffrey Ho will join the Hong Kong team as Managing Director of Trading. Mr. Ho will be based in the newly launched Hong Kong office where he will help meet the growing demand for its Outsourced Trading services in the Asia Pacific region.

Meraki has achieved considerable growth since the firm's inception in 2019, as buy-side firms become aware of the advantages that a multi-asset outsourced trading partner can provide. As of late, portfolio managers' desire to trade across all asset classes in response to the pandemic and market dislocations has soared. Meraki has been well positioned in the APAC region to assist asset managers who trade up and down the capital structure through a sophisticated outsourcing model which is fully aligned and integrated with their investment teams.
