

MMUK MAN release Britain's very first BB Cream For Men.

Wednesday 22 January, 2014

In the modern world of men, makeup and skin care, there are all kinds of new products being waved in front of the noses of the UK's modern man. We now live in a world where Serum's are now outselling Singles and as for moisturisers, they may as well be our number one wingman. Over recent years, the beauty industry as a whole has welcomed the arrival of BB creams on mass scale. Owing mainly down to the sheer size of the women's market, the popularity of such a product has rarely gone unnoticed within the beauty industry.

With makeup bloggers, men's skincare specialists and male beauty columnists regular pointing fellow man in the direction of a BB cream, as we sit here on the cusp of yet another record breaking year for the men's segment, MMUK MAN introduce Britain's very first men's BB Cream.

Defined as a men's BB cream, which combines the efforts of superb anti-aging care, along with an expertly developed BB tint, the future remains very bright for men out there, looking to get their grooming stamina off to a flying start.

With MMUK MAN's BB cream designed to offer superb healing and protective properties, along with a completely unrivaled ability to even skin, treat blemishes and create a soft and soothed surface, it's sure to be a very welcome addition to many a man's wash bag.

Arriving in three expert colour matching tones (light, medium and dark), MMUK MAN seek to broaden the horizons for men who wish to experiment with such a cosmetic product, without being restricted by BB creams typically very light shade mono-tones. Regardless of your skin tone, makeup choices or skin care demands, employ the expertise of such a powerful product to leave your manhood on an even keel and your skin looking simply fantastic.

Carefully engineered to treat the most common facial blemishes experienced by men, heal skin and produce just enough coverage to blanket your face with perfection. With MMUK MAN, gentlemen, now is your opportunity to truly grasp makeup for men with both hands, without running the risk of getting caught out in a grooming minefield.

Experience the sheer subtlety of such a product which comes in the same matte black packaging, present across the entire MMUK MAN makeup for men range. Cover and treat spots, uneven skin, blemishes and redness with the most expert men's cosmetics available on the market.
