

Model Kara Lina Channels Jacky Kennedy in a Baby-Blue Leather Hilary MacMillan Trench Suit on the Cover of Glamour Magazine

Tuesday 25 May, 2021

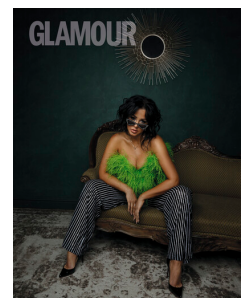

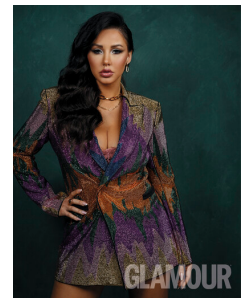

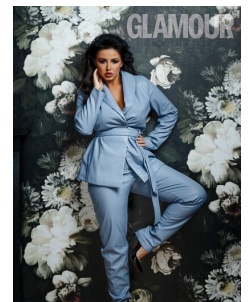

The rumours are true: Canadian model Kara Lina was recently chosen by *Glamour Bulgaria* to grace their May 2021 print cover. Critics have been saying that the cover outfit — a Hilary MacMillan vegan baby-blue leather shawl collar blazer paired with the matching trousers brought back memories of a young Jacky Kennedy when she wore her signature baby-blue color in a cashmere suit, but this time the look is of an edgy millennial, embracing a more rockstar fashion.

The cover shoot took place in Kara's hometown of Toronto. The team included big fashion names like photographer David Hou who has shot for huge publications like *L'Officiel* and *Pure Luxury* magazines before. The stylist, Marc Andrew Smith, who has styled public figures like Unicef Canada ambassador Simu Liu, said that although the look wasn't planned around Jacky Kennedy, once he pulled this specific outfit, he couldn't help but reminisce of the former First Lady, because everyone thinks of her every time her "signature baby-blue color" is pulled, when styling public figures. Creative Director Gelareh Kamazani, who has publications under her belt like: *Gmaro* and *Maxim* magazines, said helping direct a fashion shoot for a publication of the caliber of *Glamour* magazine was a huge honor, regardless of the pressure felt. "Kara Lina is such a professional when it comes to her job, that it was easy to get the cover shot," said Kamazani.

Kara Lina has graced many world-renown magazine covers throughout her modelling career but non as big as *Glamour*. "I truly did feel like a 'First Lady' that day on set. The amazing team *Glamour* magazine chose to produce this shoot made me feel special every step of the way. I've always loved Jacky Kennedy's style, and although the looks were very edgy and contemporary, when I saw the baby-blue look, I totally understood what the team meant when comparing this look to hers. I think this colour makes your eyes stand-out when you're a brunette," said Kara Lina.

The team said they chose this look because the vegan leather is so soft and buttery, the hand is similar to lambskin but 100 percent cruelty-free. The single snap closure and tie belt make it possible to also wear this blazer as a light jacket perfect for dining on patios or pulling over your shoulders when wearing a slip dress.
