Mohan Electro Casting Private Limited, With 15 years of Impressive Growth, is Expanding further.

Tuesday 14 May, 2019

Mohan Electro Casting Private Limited, With 15 years of Impressive Growth, is Expanding further.

Management of MEPL, the 65T single piece heavy engineering multi products company, is open for ventures and looking aggressively for expansion in Markets worldwide.

Mohan Electro Casting Private Limited (MEPL) is inviting Leadership Teams of Heavy Machinery and Equipment Manufacturing companies with synergies, for discussions leading to a proposed new Joint Venture.

MEPL has been contributing to India's economic development as pioneers in Technology and Process, by producing castings machinery for customers globally, upto 65 ton single piece, for more than 15 years.

With Operations Head-quartered in Ghaziabad, near New Delhi, MEPL is lead by Subhash Chandra Garg, Founder & CEO and Anshul Garg, Managing Director.

''Our management philosophy considers that
customers are our teachers,
quality is our pride,
innovation is our life and
people are the most important asset.''
- Anshul Garg, Managing Director, MEPL

Anshul Garg, MD, MEPL, has most recently been awarded 'Top 40 Under 40 EU-India Business Leader' recognition at EU Parliament in Brussels on 10th of April 2019, by Hon'ble Caroline Nagtegaal, MEP, by a UK based organisation EICBI.

This is just one of the most recent of many awards and recognitions that speak volumes about the value MEPL and its team has added to the business economies in India and Europe.

''

When I think of engineering, I think of life; When I think of life, I think of basic necessities; When I think of basic necessities, I think of building the nation together, and for me 'Engineering is key to Success'

'' says Anshul Garg, MD, MEPL

In his initial years of career, Anshul succeeded in developing international relations & presence with Germany, Belgium and France based companies like Loesche Gmbh (Germany), Gebr Pfeiffer (Germany), CMI-FPE (Belgium), Siemens-Vai (France), FCB Ciment (France), SMS Siemag (Germany) to supply large & special steel components for Rolling Mills and other.

Anshul always believes that empathy is your greatest asset - as a leader and an entrepreneur - advises to take calculated risks, be resourceful and follow up to succeed with best life & corporate governance. Now he is gearing up to prepare himself and his company to handshake with Large Scale Engineering company having presence to set up Steel Mill Plants worldwide.

MEPL today has world class

- Machine Shop Facilities
- Steel Manufacturing Process
- Metal Casting Process
- Making of Steel Casting
- Foundry Facilities
