MSI Product Launch: Laptop Outlet Announces the latest range of MSI products on its platform

Friday 27 August, 2021

Release Time

Date: August 2021

The UK's leading online Tech Retailer, Laptop Outlet, has introduced brand new products of gaming brand MSI, highlighting "**Tech Meets Aesthetic**"

London, UK— **August 4th, 2021**— Laptop Outlet Limited, has unveiled the launch of new **MSI product range** on its online store, where the world's top gaming brand will now be accessible. The gaming and creation brand showcases its new lineup of products, featuring the latest Intel 11th Gen Intel CPU, NVIDIA GeForce RTX 3080 and new **Creator series** laptops, now selling fast.

"Although the COVID-19 pandemic changes our working lives and daily lifestyles, MSI never stops developing and designing new products. In addition to proud performance, our products are also integrated with 'Golden Ratio' aesthetic."

Sam Chern, MSI Vice President of Marketing

MSI has come up with exclusive features for this collection, promising an overall performance enhancement of 30%. The innovative range places emphasis on the high-speed combo of PCIe Gen4, Thunderbolt™ 4, and Wi-Fi 6E. Additional features like 'Discrete Graphics Mode' are included in the gaming laptops for improved graphics and ultrafast panels with up to FHD 360Hz and QHD 240Hz refresh rate. The premium gaming range including **GE76/66 Raider, GS76/66 Stealth, and GP76/66 Leopard series** will now also be available at Laptop Outlet.
