MyBettingDeals launched a unique platform for iGaming

Tuesday 25 June, 2019

Valletta, Malta, 25th June 2019 – MyBettingDeals has launched its innovative and custom-built platform for online casino and online sports betting enthusiasts, giving punters access to one of the most diverse betting comparison and online media website out there.

MyBettingDeals was born out of a need for punters to have access to a website that not only gives them access to the latest and the best online casinos and online sports betting platforms but also ensuring they have access to world-class betting tools and content. The first version of MyBettingDeals.com focuses on the Online Casino and Online Sports Betting verticals with new verticals such as eSports, Lottery, Poker and Horse Racing launching this year. MyBettingDeals will also be launching an innovative comparison tool this summer along with other unique features and content.

“We know how tough it can be to find the right deal that suits you and your playing style,” says MyBettingDeals’ co-founder, Steve Grech. “Our goal as a business is to deliver the best online media experience for various online gambling verticals while showcasing the best online gambling products and fair deals out there.”

The MyBettingDeals team has a wealth of industry experience, allowing them to fully grasp what makes a fair online casino and sports betting deal for the punter. It is not just about the highest possible bonus anymore, it is more about the product, the quality of casino games on offer, the sports betting markets and responsible gambling to name but a few.

“We are always working hard to source the most attractive operators that have the best product experiences, bonuses, games, customer support all wrapped around a sound responsible gambling framework,” says co-founder, Steven Grech. “Once a user registers with us, we keep them up-to-date with the latest special deals, casinos and sports betting sites to emerge on our platform. We also give MyBettingDeals customers a chance to truly compare the best and safest online gambling brands out there. This is what truly sets MyBettingDeals apart. You won’t find these perks anywhere else,” says founder Frank Zielkowski.

The founders strive to deliver the best and broadest in entertainment offers from global casinos and sports betting websites. The result of which is an incredibly unique collection of the most popular online casinos and sportsbooks along with top-notch slots to play at MyBettingDeals.com, while consuming industry-leading news and content compiled by the company’s dedicated team of gambling industry professionals.

From news, events, deals and unique content in online and live casinos, to sports betting, horse racing, lottery, eSport, and poker, MyBettingDeals offers a range of experiences and content to suit the demands of thousands of online punters the World over.

“Another thing that sets us apart is the education we provide our users,” says Frank Zielkowski. “Apart from offering a plethora of the best online casinos and sports betting websites, we also post regular articles, video tutorials, social media coverage of each brand, chat opportunities, daily news, and more - all to keep our users informed about the latest evolutions in the global online gambling industry. We deliver high-quality information and gossip on the latest game releases and reviews. We want to change the way the World views online gambling, given the focus on safe and responsible fun for people from all walks of life. Just ask our growing community of thousands of members!” finishes MyBettingDeals founder.

The tech team around *"Cagri Isbuga"* CTO and Co founderhas created V1 of MyBettingDeals.com, with v2 will be released in the next quarter with new verticals and innovative features. As a one-stop online gambling media powerhouse, MyBettingDeals is unlike anything punters have and will ever experience.
